QUALITEC TRAILERS NOTICE:

Due to constant product improvements, and changes in specifications, component parts and standard/ optional equipment, all QUALITEC Trailers products are subject to change without notice or obligation. Product photography or diagrams may show equipment that is optional. Qualitec Trailers reserves the right to make changes in pricing and models and to discontinue models without notice or obligation. Components, parts or chassis may have been manufactured at times other than the model year indicated. All capacities are approximate and dimensions are nominal. All dry weights are based on standard models with basic features and do not include optional features or equipment. Various components and features may differ to conform to local codes. The individual manufacturers not Qualitec Trailers warrant appliances and other components.
